#### **What is Musicians' Choice?**

Musicians' Choice provides an entirely new type of listening experience. Each concert features a musician of the Orchestra of the Southern Finger Lakes as Guest Curator. In landmark partnerships of the Rockwell Museum of Western Art, the Arnot Art Museum, and the Orchestra of the Southern Finger Lakes, Musicians' Choice is presented as yet another service to the Twin Tiers region.

#### **The Performance**

The Arnot Art Museum showcases artists who are leaders in representational art. We welcome you to experience more in the realm of the artistic, enthusiastic, energetic, and talented! Principal French Hornist Guy Kinney shares his bold, full and radiant strength in an evening of chamber offerings. Guy has been an OSFL leader for the many years he has performed with the orchestra. Also performing Barbara Hull, Trumpet, Angela McBrearty, Flute, and Norman Wilcox, Trombone.

Established in 1996 and conducted by Music Director Marietta Cheng, the Orchestra of the Southern Finger Lakes is the principal ensemble of Corning-Elmira Musical Arts, Inc. (CEMA). CEMA serves New York's Southern Tier communities through extraordinary musical programs and educational offerings. CEMA was established in 1996 through a consolidation of the Corning Philharmonic Society and the Elmira Symphony and Choral Society. The organization now comprises more than 150 musicians in its Chorus, Professional Orchestra, and Youth Orchestra.
