The Annual Doreen B. Hertzog Concerto/Aria Competition

History

The Doreen B. Hertzog Concerto/Aria Competition was a program of the Elmira Symphony and Choral Society, known as the Young Artists' Competition that began in the late 1960s. It was later renamed in honor of one of its founders, Doreen B. Hertzog. The merged successor of the Elmira Symphony and Corning Philharmonic, now known as the Orchestra of the Southern Finger Lakes, has continued the competition since its formation in 1995. Designed to showcase the finest young musicians, the Hertzog Competition is a vehicle for the OSFL to nurture and support talented young performers throughout the region, from Rochester, NY to Mansfield, PA.

Award and Eligibility

The 2023 Doreen B. Hertzog Competition winner will perform one movement of a concerto or aria with the Orchestra of the Southern Finger Lakes during the 2023-2024 Season. Students in grades 9 through 12 are eligible to audition. Eligible instruments are: piano, strings, brass, woodwinds, percussion, and voice.

The Audition

Preliminary Round

Contestants will submit a good quality audio recording, performing one movement from a concerto or aria with accompaniment. Recordings should not exceed **ten minutes**; movements of longer duration must be cut appropriately. Applications and recordings are due by **12 PM NOON on Monday, May 22, 2023**.

Final Round

A maximum of 12 contestants will be selected for the final round, to be held **Saturday, June 3, 2023** in Horseheads, NY. Contestants will perform the same movement as submitted in the preliminary round, from memory. It is **mandatory** that each student bring his or her own piano accompanist; the OSFL will not provide an accompanist for contestants.

Hertzog Competition auditions are very competitive and the judges may, at their discretion, decide not to select a winner. The decision of the judges is final.
